The usual big Maysville delegation went to Flemingsburg yesterday, it being County Court Day at the Capital of Fleming.

The game of ball between the All Stars and White Sox Sunday afternoon resulted in the score of 8 to 5 in favor of the former.

Mason Circuit Court.

The regular spring term of the Mason Circuit Court convened yesterday morning with Judge Newell presiding and Commonwealth's Attorney Hennessey in charge.

when your wife asks you to get a scuttle of coal, if it has come from our yard. For our coal is free from dust and dirt and also from those big unsightly lumps so often found in common coal. And our coal burns better and longer, too. Even one ton will be enough to convince you that our coal is different and better. Shall we send one to you?

THE GIRLS' DEFT.

The Maysville Basket Ball Team challenges the Mayslick girls to a game of basket ball under the following conditions:

1. That the game be played either indoors or outdoors on a field free from obstructions not more than five feet shorter than the regulation field as called for in Spalding's Guide Book.
 2. That the referee be a person from outside Mason county, well known in basket ball circles.
 3. That the umpire be a person who is accustomed to officiate games and one satisfactory to both teams.
 4. That the game be played as formerly—open field and five girl teams—otherwise strictly in accordance with Spalding's Guide Book for Women.
 5. That the game be played within three weeks.
 6. That each team send two representatives to some convenient place to meet and arrange details.
- The Maysville team wishes to add that irrespective of the outcome of this game, this is the last challenge Maysville will either give or accept from Mayslick. We have found that the last game engendered so much ill feeling toward Maysville in the Mayslick community that we prefer to play only teams that play in the friendly and sportsmanlike spirit that has hitherto marked our games.

"It Was No Guess!"

When we said in our last week's ad. we would be rushed the latter part of the week. It certainly was a big day for Maysville's merchants. Christmas Eve business is no longer in the same class as the Saturday before Easter Sunday. When you see the "Boys" with their "Heehinger" Suits on you will not wonder at the stream of suit boxes carried out of our store in the past few days. No suits like them shown elsewhere. There is an individuality to our this spring's clothes that stamps them way out of the ready-made clothes appearance. They are strictly on lines of the high-class merchant tailors' productions.

Our Shoes, Hats and general line of Furnishing Goods are right in the same class as our Clothing.

Don't fail to call for tickets on our "Victrola." If you don't care for it our Mr. D. Heehinger will give \$200 for it.

SHOT UP THE TOWN

Pete McMillan Terrorizes East Fourth Street With Gun and Pistol and Lands Behind Bars

Last night about 9 o'clock the otherwise peace and good order of East Fourth street was violently disturbed by the cow boy actions of one Pete McMillan, a white youth aged about 20 years, who, crazy drunk and armed with gun and pistol, shot up the town in true wild and woolly Western style.

Pete, with his trusted weapons, enfiladed the street, and for a time there was a semi-panic in East Fourth above Plum, especially among the colored denizens, who howled with fear while the battle was in progress. Pete being drunk and firing at the atmosphere promiscuously hit nothing, fortunately, but a few holes in the air. Chief Ort and all his Police force were called to the scene and had much trouble in capturing, disarming and dragging Pete to the Bastille, where he now languishes in sulky humor for trial this afternoon in the Police Court.

There are six other cases on the Police Court docket.

JUSTICE BREWER DEAD

Sudden Passing Away of Supreme Court Jurist May Complicate Important Cases

WASHINGTON, March 28.—David Josiah Brewer, 73 years old, Associate Justice of the Supreme Court of the United States, died tonight at 10:30 o'clock as the result of a stroke of apoplexy. Death followed within a minute or two before he could be carried to his bed. Mrs. Brewer was with him when the end came. The end came altogether unexpected. Justice Brewer was born in Smyrna, Asia Minor, June 20th, 1837.

Justice Brewer's death raises a serious question as to the action of the Court regarding the Standard Oil and American Tobacco Company suits and it is not improbable that these cases will have to be retried, since there now remain but seven Justices to pass upon them, Justice Moody not having participated in the trial by reason of continued illness.
